## ANALYSIS

**Statutory Authority:** Sections 41.41(7)(k)

Explanation of agency authority:

Section 41.41(7)(k), Stats., provides that the Kickapoo Reserve Management Board “P rules that are applicable only to land in the Kickapoo valley reserve and other land acquired by the board, facilities on that land and waters adjacent to that land establishing restrictions on the use of the land, waters and facilities.”

**Related Statute or rule:**

Section 175.60, Stats, relating to firearms as permitted.

**Plain language analysis:**

Original rule defining campsite occupancy limit to 6 persons or fewer are inconsistent with current management of campsites. Change in rule would set occupancy limits by posted signs. Also, existing rule prohibiting firearms on the Kickapoo Valley Reserve is inconsistent with the State’s Concealed Carry Law.

**Summary of, and comparison with existing or proposed federal regulation:**

None.

**Comparison with rules in adjacent states:**

None. Unique management structure of the Kickapoo Valley Reserve.

**Analysis and supporting documents used to determine effect on small business or preparation of economic impact analysis:**

Public hearing held April 21, 2016 – no testimony received.

**Final Estimate and Economic Impact Analysis:**
